Summary

Creative and detail-oriented Information Technology student with a strong background in graphic design, visual communication, and digital media production. Experienced in designing broadcast overlays, event graphics, and promotional materials for live events, as well as game art, short film production, and web UI/UX. Adept at translating concepts into compelling visuals using Adobe Creative Suite, Canva, and other design tools. Seeking a graphic design internship to apply and grow creative skills in a professional environment.

Experience

Graphics and Broadcast Designer, Gamecon Esports - Itlympics 2026 Jan 2026

- Designed broadcast overlays, event banners, tickets, and promotional graphics for a school-wide esports event.
- Assisted in live event broadcasting production, ensuring visual consistency across all broadcast materials.

Game Developer and Game Artist, Rise of the Bakunawa - Itlympics 2026 Jan 2026
